

## **Bhylls Acre Primary School**

The proposal is that Bhylls Acre Primary School changes the admission age range of it's school from 5 – 11 year olds to 3 – 11 year olds.

The school currently has a governor run nursery which opened 1<sup>st</sup> September 2021. This was set up to meet the requests of parents and provide the children of Bhylls Acre Primary School valuable education from 3 years of age.

This consultation is required to formally change the admissions age range for Bhylls Acre Primary School. There are no changes planned for the Nursery and the provision will continue to operate in the same way that Parents / Carers are familiar with.

The consultation period will run for 4 weeks, starting Wednesday 19<sup>th</sup> October 2022 and ending 16<sup>th</sup> November 2022.

If you wish to register any comments please do so by either:

- Putting them in writing marked for the attention of Mrs J. Woodall, Headteacher
- Emailing your comments to [office@bhyllsacre.staffs.sch.uk](mailto:office@bhyllsacre.staffs.sch.uk)
